| Waste Audit Results | |
|---------------------|------------|
| 2018 | 94% |
| 2023 | 54% |
| Term 1 2024 | 14% |

Summary: This is a substantial reduction in the amount of divertable waste found in the rubbish sample this time round. This is your best score yet - possibly the best score EVER! This is an outstanding result and an amazing achievement. You have significantly shifted the behaviour around your waste diversion systems and the data is proving it.

Kaipaki Achievements

Huge congratulations to Oli and Jimmy who proudly represented Kaipaki School in the Secondary Schools Show Jumping competition. Their exceptional performance saw them clinch 1st and 2nd place in both of their individual classes. Despite having only three members, with one being a draft rider, the Kaipaki Team secured an impressive 2nd place overall. This achievement is even more remarkable considering that most other teams had four riders.

Ruben the Road Safety Bear

We thoroughly enjoyed welcoming Ruben the Road Safety Bear on Friday and gained valuable insights into road safety.
