KIA ORA TE WHĀNAU O KAIPAKI

What a fantastic term it has been so far! We have been thrilled to hear about all the exciting sporting events our tamariki have been participating in and how they have shown incredible sportsmanship and dedication.

There are lots of exciting events happening over the next few weeks including:

- World Environment Day
- Rural Schools Winter Sports
- Matariki Celebrations/Hangi
- Mihi Whakatau to welcome back the amazing Mrs Budd

Keep a look out for how you can be involved!

Kapa Haka

Exciting news about our Kapa Haka programme! From this term, we'll alternate fortnightly between whole school sessions and a more expert group. This allows all students to participate and learn together, while also giving our more expert group a chance to focus on honing their skills and learning the more advanced aspects of Kapa Haka. A huge thank you to Mrs. Edwards for taking over and making these sessions fun and engaging. Her dedication is truly appreciated!

We love hearing about our Kaipaki students achievements.

Rural Schools Winter Sports

We are excited that our annual Rural Schools Winter Sports Day is just around the corner, taking place on the 7th of June! Our Year 5-8 students have been out practising hard, and it's been heartwarming to see the Year 7/8 students sharing their skills and knowledge with our younger tamariki. The field has been filled with laughter and team spirit, and we are confident that they will represent our school with pride and enthusiasm.

We have a variety of fun activities planned to help our students learn about sustainability and the importance of looking after our environment.

The purpose of World Environment Day is to work together, to break our addiction to plastics, champion zero waste, and build a truly circular economy. Together, let us shape a cleaner, healthier, and more sustainable future for all.
